

# NQP NOVA STROBE 6

WARNING / STROBE LIGHT

PART NO. 21108

The **NQP NOVA STROBE 6** is a compact LED warning light designed for service vehicles, construction equipment, and other professional vehicles. Featuring 12 selectable flash patterns and a steady-burn mode, it provides effective warning signalling and enhanced visibility in demanding working environments.

The slim aluminium housing and IP68 protection ensure long-lasting durability and reliable performance, while the compact design allows for flexible installation across a wide range of vehicle applications.
