

NQP STROBE 4

WARNING / STROBE LIGHT
PART NO. 21104

The **NQP STROBE 4** is a compact LED warning light designed for service vehicles, construction equipment, and other professional vehicles. Featuring four high-intensity LEDs and 11 selectable flash patterns, it provides effective warning signalling and high visibility in demanding environments.

Its durable construction and IP67/IP69K protection ensure reliable performance in harsh weather conditions and daily commercial use.
