

NQP STROBE SLIM 4

WARNING / STROBE LIGHT

PART NO. 21101

The **NQP STROBE SLIM 4** is a low-profile LED warning light designed for service vehicles, construction equipment, and other professional vehicles. Featuring four high-intensity LEDs and 20 selectable flash patterns, it delivers reliable warning signalling in demanding environments.

Its slim design enables discreet installation, while the durable aluminium housing and smoked lens provide long-lasting performance and reliability.
