

NQP STROBE SLIM 6

WARNING / STROBE LIGHT

PART NO. 21102

The **NQP STROBE SLIM 6** is a low-profile LED warning light designed for service vehicles, construction equipment, and other professional vehicles. Featuring six high-intensity LEDs and 20 selectable flash patterns, it delivers reliable warning signalling in demanding environments.

Its slim design enables discreet installation, while the durable housing and smoked lens provide long-lasting performance and reliability.
